COMPROMISE AND SETTLEMENT OF DISPUTES; SUBSTANTIVE CONSOLIDATION; ASSUMPTION OF OBLIGATIONS UNDER THE PLAN

2.1 **Compromise and Settlement**: The Plan incorporates a proposed compromise and settlement of certain issues disputed by the Proponents, the Creditors' Committee, the ENA Examiner and other parties in interest. These issues include whether the estates of each of the Debtors should be treated separately for purposes of making payments to Creditors, whether and to what extent proceeds from the liquidation of assets, including claims and causes of action, or from the Sale Transactions should be allocated among the Debtors based upon their respective claims of ownership to such assets, and the amount, allowance and priority of certain Intercompany Claims. The provisions of the Plan relating to substantive consolidation of the Debtors, the treatment of Intercompany Claims, and the treatment of each Class of Claims under the Plan reflect this compromise and settlement, which, upon the Effective Date, shall be binding upon the Debtors, all Creditors, and all Entities receiving any payments or other distributions under the Plan. Without limiting the foregoing, the Plan and the definitions of "Distributive Assets", "Enron Guaranty Distributive Assets", "Wind Guaranty Distributive Assets" and "Intercompany Distributive Assets" set forth in Article I hereof incorporate the following salient provisions of such compromise and settlement:

(a) **Substantive Consolidation**: The Plan Currency to be distributed to each holder of an Allowed General Unsecured Claim against each Debtor, other than the Portland Debtors, shall equal the sum of (i) seventy percent (70%) of the distribution such holder would receive if the Debtors, other than the Portland Debtors, were not substantively consolidated and (ii) thirty percent (30%) of the distribution such holder would receive if all of the Debtors' estates, other than the estates of the Portland Debtors, were substantively consolidated and one-half of Enron Guaranty Claims and Wind Guaranty Claims were allowed.

(b) **Related Issues**: The compromise and settlement of the substantive consolidation issue set forth in the Plan encompasses a global settlement of numerous issues related to or impacted by substantive consolidation, including, without limitation, characterization of Intercompany Claims, treatment of Enron Guaranty Claims and Wind Guaranty Claims, transactions involving certain of the Debtors' structured-finance transactions and ownership of certain claims and causes of action.

(i) **Intercompany Claims**: The Plan Currency to be allocated to each holder of an Intercompany Claim against another Debtor shall equal seventy percent (70%) of the distribution such holder would receive if the Debtors were not substantively consolidated.

(ii) **Enron Guaranty Claims/Wind Guaranty Claims**: The Plan Currency to be distributed to each holder of an Allowed Enron Guaranty Claim or an Allowed Wind Guaranty Claim shall equal the sum of (i) seventy percent (70%) of the distribution such holder would receive if the Debtors, other than the Portland Debtors, were not substantively consolidated and (ii) thirty percent (30%) of the distribution such holder

would receive if all of the Debtors' estates, other than the estates of the Portland Debtors, were substantively consolidated and one-half of such Claims were allowed.

(iii) Ownership of Certain Assets: For purposes of calculating the Distributive Assets of ENE and ENA, the Debtors shall take, or cause to be taken, such action as is appropriate to reflect that: (a) ENA's Assets shall include ENE's preferred stock interests in Enron Canada Corp., either through a capital contribution or otherwise; (b) the preferred stock interests in Enron Canada Corp. held by Enron Canada Power Corp. and the preferred stock interests in Enron Canada Power Corp. held by Enron Canada Corp. shall be deemed cancelled or otherwise returned to their respective issuers; provided, however, that, if such cancellation or return leaves Enron Canada Power Corp. with insufficient funds to satisfy third-party obligations, Enron Canada Corp. shall contribute such monies to Enron Canada Power Corp. as are necessary as to satisfy such third-party obligations; (c) to the extent that proceeds are received in connection with the sale or contribution of Compagnie Papiers Stadacona, ENE and ENA Assets shall each include fifty percent (50%) of the proceeds thereof, net of the payment of third-party obligations; and (d) to the extent that proceeds are received in connection with the sale or contribution of Bridgeline Holdings, L.P., ENA's Assets shall include all the proceeds thereof, net of the payment of third-party obligations.

(iv) Ownership of Certain Litigation Claims: The Litigation Trust Claims and the Special Litigation Trust Claims shall be deemed owned by all of the Debtors, other than the Portland Debtors, and the proceeds therefrom, if any, shall be distributed ratably, on a Consolidated Basis, to holders of Allowed General Unsecured Claims, other than those against the Portland Debtors.

(c) Plan Currency: By virtue of and integral to the compromise and settlement of the substantive consolidation issue set forth in the Plan, except as provided in Section 7.3 hereof with respect to ENA and certain of its subsidiaries, each holder of an Allowed Unsecured Claim against each Debtor, other than the Portland Debtors, shall receive the same Plan Currency regardless of the asset composition of such Debtor's estate on or subsequent to the Effective Date.

(d) Inter-Debtor Waivers: By virtue of and integral to the compromise and settlement of the substantive consolidation issue set forth in the Plan, on the Effective Date, (i) each Debtor shall waive any defense, including, without limitation, defenses arising under sections 502(d) and 553(a) of the Bankruptcy Code, to Intercompany Claims asserted by another Debtor, (ii) Intercompany Claims between reciprocal Debtors shall be deemed to be mutual claims arising prior to the Initial Petition Date for purposes of setoff and (iii) each of the Debtors shall waive its right to receive distributions on any claims and causes of action such Debtor may have against another Debtor arising in accordance with sections 509, 544, 547, 548 and 553(b) of

the Bankruptcy Code, without waiving or releasing any claims and causes of action against non-Debtor parties.

(e) **Governance**: By virtue of and integral to the compromise and settlement of the substantive consolidation issue set forth in the Plan, the boards of the respective Entities contemplated pursuant to the Plan represent the interests of Creditor constituencies and provide protections to safeguard the interests of such constituencies.

2.2 **Non-Substantive Consolidation**: On the Effective Date, the Debtors' estates shall not be deemed to be substantively consolidated for purposes of the Plan; provided, however, that, as part of the compromise and settlement embodied in the Plan, holders of Allowed Claims and Allowed Equity Interests shall receive a portion of their distributions based upon the hypothetical pooling of the assets and liabilities of the Debtors, other than the Portland Debtors. Any Claims against one or more of the Debtors based upon a guaranty, indemnity, co-signature, surety or otherwise, of Claims against another Debtor shall be treated as separate and distinct Claims against the estate of the respective Debtors and shall be entitled to distributions under the Plan in accordance with the provisions hereof.

2.3 **Allocation of Expenses**: On or prior to the Ballot Date, the Debtors shall file a motion with the Bankruptcy Court and, in connection with the entry of the Confirmation Order, the Bankruptcy Court shall enter an order with respect to the allocation of overhead and expenses among the Debtors and the Reorganized Debtors, as the case may be. Without limiting the foregoing, such allocation shall be predicated upon the tasks to be performed by the Debtors and the Reorganized Debtors, as the case may be, from and after the Confirmation Date, including, without limitation, the number of employees required to discharge such duties and obligations. Except as provided therein, all other provisions of the Bankruptcy Court's orders, dated February 25, 2002, November 21, 2002 and November 25, 2002, with respect to the allocation of overhead and expenses shall remain in full force and effect.

2.4 **Wind Reserve Fund**: Pursuant to the Wind Reserve Fund Order and for purposes of calculating distributions pursuant to the Plan, including, without limitation, the amount and value of Distributive Assets, Enron Guaranty Distributive Assets, Intercompany Distributive Assets and Wind Guaranty Distributive Assets, the Wind Reserve Fund shall not be included in the Assets of any of the Debtors, including Wind.

15.3 **Cancellation of Enron Preferred Equity Interests and Exchanged Enron Preferred Stock**: On the Effective Date, the Enron Preferred Equity Interests shall be deemed cancelled and of no force and effect and the Exchanged Enron Preferred Stock shall be issued in lieu thereof. On the later to occur of (a) the entry of a Final Order resolving all Claims in the Chapter 11 Cases and (b) the final distribution made to holders of Allowed Claims and Allowed Equity Interests in accordance with Article XXIX of the Plan, the Exchanged Enron Preferred Stock shall be deemed extinguished and the certificates and all other documents representing such Equity Interests shall be deemed cancelled and of no force and effect.

16.2 **Contingent Distribution to Common Equity Trust:** Notwithstanding anything contained herein to the contrary, in the event that Cash and Plan Securities are deemed redistributed to a holder of an Allowed Enron Common Equity Interest in accordance with the provisions of Sections 7.5, 8.2, 9.2, 14.2 and 15.2 of the Plan, as a result of the issuance and transfer of Exchanged Enron Common Stock, all distributions in respect of the Exchanged Enron Common Stock shall be made to the Common Equity Trustee for and on behalf of the holders of Common Equity Trust Interests.

16.3 **Cancellation of Enron Common Equity Interests and Exchanged Enron Common Stock:** On the Effective Date, the Enron Common Equity Interests shall be deemed cancelled and of no force and effect and the Exchanged Enron Common Stock shall be issued in lieu thereof. ARTICLE XVIII

PROVISIONS FOR TREATMENT OF DISPUTED CLAIMS UNDER THE PLAN

18.1 **Objections to Claims; Prosecution of Disputed Claims:** The Reorganized Debtors shall object to the allowance of Claims or Equity Interests filed with the Bankruptcy Court with respect to which they dispute liability, priority or amount, including, without limitation, objections to Claims which have been assigned and the assertion of the doctrine of equitable subordination with respect thereto. All objections shall be litigated to Final Order; provided, however, that the Reorganized Debtors (within such parameters as may be established by the Board of Directors of the Reorganized Debtors) shall have the authority to file, settle, compromise or withdraw any objections to Claims or Equity Interests. Unless otherwise ordered by the Bankruptcy Court, the Reorganized Debtors shall file and serve all objections to Claims as

soon as practicable, but in no event later than two hundred forty (240) days following the Confirmation Date or such later date as may be approved by the Bankruptcy Court.

18.2 **Estimation of Claims**: The Reorganized Debtors may at any time request the Bankruptcy Court to estimate for final distribution purposes any contingent, unliquidated or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtors or the Reorganized Debtors previously objected to such Claim, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or Disputed Claim, the estimated amount shall constitute either the allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court; provided, however, that if the estimate constitutes the maximum limitation on such Claim, the Debtors or the Reorganized Debtors, as the case may be, may elect to pursue supplemental proceedings to object to any ultimate allowance of such Claim. All of the aforementioned Claims objection, estimation and resolution procedures are cumulative and not necessarily exclusive of one another.

18.3 **Payments and Distributions on Disputed Claims**:

(a) **Disputed Claims Reserve**: From and after the Effective Date, the Disbursing Agent shall reserve and hold in escrow for the benefit of each holder of a Disputed Claim, Cash, Plan Securities, Operating Trust Interests, Remaining Asset Trust Interests, Litigation Trust Interests and Special Litigation Trust Interests and any dividends, gains or income attributable thereto, in an amount equal to the Pro Rata Share of distributions which would have been made to the holder of such Disputed Claim if it were an Allowed Claim in an amount equal to the lesser of (i) the Disputed Claim Amount, (ii) the amount in which the Disputed Claim shall be estimated by the Bankruptcy Court pursuant to section 502 of the Bankruptcy Code for purposes of allowance, which amount, unless otherwise ordered by the Bankruptcy Court, shall constitute and represent the maximum amount in which such Claim may ultimately become an Allowed Claim or (iii) such other amount as may be agreed upon by the holder of such Disputed Claim and the Reorganized Debtors. Any Cash, Plan Securities, Operating Trust Interests, Remaining Asset Trust Interests, Litigation Trust Interests and Special Litigation Trust Interests reserved and held for the benefit of a holder of a Disputed Claim shall be treated as a payment and reduction on account of such Disputed Claim for purposes of computing any additional amounts to be paid in Cash or distributed in Plan Securities in the event the Disputed Claim ultimately becomes an Allowed Claim. Such Cash and any dividends, gains or income paid on account of Plan Securities, Operating Trust Interests, Remaining Asset Trust Interests, Litigation Trust Interests and Special Litigation Trust Interests reserved for the benefit of holders of Disputed Claims shall be either (x) held by the Disbursing Agent, in an interest-bearing account or (y) invested in interest-bearing obligations issued by the United States Government, or by an agency of the United States Government and guaranteed by the United States Government, and having (in either case) a maturity of not more than thirty (30) days, for the benefit of such holders pending determination of their entitlement thereto under the terms of the Plan. No payments or distributions shall be made with respect to all or any portion of any Disputed Claim pending the entire resolution thereof by Final Order.

(b) Allowance of Disputed Claims: At such time as a Disputed Claim becomes, in whole or in part, an Allowed Claim, the Disbursing Agent shall distribute to the holder thereof the distributions, if any, to which such holder is then entitled under the Plan together with any interest which has accrued on the amount of Cash and any dividends or distributions attributable to the Plan Securities or Operating Trust Interests so reserved (net of any expenses, including any taxes of the escrow, relating thereto), but only to the extent that such interest is attributable to the amount of the Allowed Claim. Such distribution, if any, shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim becomes a Final Order but in no event more than ninety (90) days thereafter. The balance of any Cash previously reserved shall be included in Creditor Cash and the balance of any Plan Securities and Operating Trust Interests previously reserved shall be included in future calculations of Plan Securities to holders of Allowed Claims.

(c) Tax Treatment of Escrow: Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Disbursing Agent of a private letter ruling if the Disbursing Agent so requests, or the receipt of an adverse determination by the IRS upon audit if not contested by the Disbursing Agent), the Disbursing Agent shall (i) treat the escrow as one or more discrete trusts (which may be composed of separate and independent shares) for federal income tax purposes in accordance with the trust provisions of the IRC (Sections 641 et seq.) and (ii) to the extent permitted by applicable law, report consistent with the foregoing for state and local income tax purposes. All holders of Allowed Claims and Allowed Equity Interests shall report, for tax purposes, consistent with the foregoing.

(d) Funding of Escrow's Tax Obligation: If the reserve created in accordance with Section 18.3 (a) hereof has insufficient funds to pay any applicable taxes imposed upon it or its assets, subject to the other provisions contained herein, the Reorganized Debtors shall advance to the escrow the funds necessary to pay such taxes (a "Tax Advance"), with such Tax Advances repayable from future amounts otherwise receivable by the escrow pursuant to Section 18.3 or otherwise. If and when a distribution is to be made from the escrow, the distributee will be charged its pro rata portion of any outstanding Tax Advance (including accrued interest). If a cash distribution is to be made to such distributee, the Disbursing Agent shall be entitled to withhold from such distributee's distribution the amount required to pay such portion of the Tax Advance (including accrued interest). If such cash is insufficient to satisfy the respective portion of the Tax Advance and there is also to be made to such distributee a distribution of other Plan Currency or interests in the trusts to be created hereunder, the distributee shall, as a condition to receiving such other assets, pay in cash to the Disbursing Agent an amount equal to the unsatisfied portion of the Tax Advance (including accrued interest). Failure to make such payment shall entitle the Disbursing Agent to reduce and permanently adjust the amounts that would otherwise be distributed to such distributee to fairly compensate the Disputed Claims reserve created in accordance with Section 18.3(a) of the Plan for the unpaid portion of the Tax Advance (including accrued interest).

ARTICLE XIX

In connection with the above-described rights and causes of action, any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications (whether written or oral) shall be transferred to the Litigation Trust and shall vest in the Litigation Trustee and its representatives, and the Debtors, the Debtors in Possession and the Litigation Trustee are authorized to take all necessary actions to effectuate the transfer of such privileges.

19.3 **Funding Expenses of the Litigation Trust:** In accordance with the Litigation Trust Agreement and any agreements entered into in connection therewith, on the Effective Date, the Debtors shall transfer such amounts of Cash as jointly determined by the Debtors and the Creditors' Committee as necessary to fund the operations of the Litigation Trust. The Debtors and the Reorganized Debtors shall have no further obligation to provide any funding with respect to the Litigation Trust.

19.4 **Transfer of Assets:**

(a) The transfer of the Litigation Trust Claims to the Litigation Trust shall be made, as provided herein, for the benefit of the holders of Allowed Claims in Classes 3 through 178, only to the extent such holders in such Classes are entitled to distributions under the Plan. In partial satisfaction of Allowed Claims in Classes 3 through 178, the Litigation Trust Claims shall be transferred to such holders of Allowed Claims, to be held by the Debtors on their behalf. Immediately thereafter, on behalf of the holders of Allowed Claims in Classes 3 through 178, the Debtors shall transfer such Litigation Trust Claims to the Litigation Trust in exchange for Litigation Trust Interests for the benefit of holders of Allowed Claims in Classes 3 through 178, in accordance with the Plan. Upon the transfer of the Litigation Trust Claims, the Debtors shall have no interest in or with respect to the Litigation Trust Claims or the Litigation Trust.

(b) For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Litigation Trustee and the beneficiaries of the Litigation Trust) shall treat the transfer of assets to the Litigation Trust in accordance with the terms of the Plan, as a transfer to the holders of Allowed Claims in Classes 3 through 178, followed by a transfer by such holders to the Litigation Trust and the beneficiaries of the Litigation Trust shall be treated as the grantors and owners thereof.

19.5 **Valuation of Assets:** As soon as possible after the Effective Date, but in no event later than thirty (30) days thereafter, the Litigation Trust Board shall inform, in writing, the Litigation Trustee of the value of the assets transferred to the Litigation Trust, based on the good faith determination of the Litigation Trust Board, and the Litigation Trustee shall apprise, in writing, the beneficiaries of the Litigation Trust of such valuation. The valuation shall be used consistently by all parties (including the Debtors, the Reorganized Debtors, the Litigation Trustee and the beneficiaries of the Litigation Trust) for all federal income tax purposes.

19.6 **Litigation; Responsibilities of Litigation Trustee:**

(a) The Litigation Trustee, upon direction by the Litigation Trust Board and the exercise of their collective reasonable business judgment, shall, in an expeditious but orderly manner, liquidate and convert to Cash the assets of the Litigation Trust, make timely distributions and not unduly prolong the duration of the Litigation Trust. The liquidation of the Litigation Trust Claims may be accomplished either through the prosecution, compromise and settlement, abandonment or dismissal of any or all claims, rights or causes of action, or otherwise. The Litigation Trustee, upon direction by the Litigation Trust Board, shall have the absolute right to pursue or not to pursue any and all Litigation Trust Claims as it determines is in the best interests of the beneficiaries of the Litigation Trust, and consistent with the purposes of the Litigation Trust, and shall have no liability for the outcome of its decision except for any damages caused by willful misconduct or gross negligence. The Litigation Trustee may incur any reasonable and necessary expenses in liquidating and converting the assets to Cash and shall be reimbursed in accordance with the provisions of the Litigation Trust Agreement.

(b) The Litigation Trustee shall be named in the Confirmation Order or in the Litigation Trust Agreement and shall have the power (i) to prosecute for the benefit of the Litigation Trust all claims, rights and causes of action transferred to the Litigation Trust (whether such suits are brought in the name of the Litigation Trust or otherwise), and (ii) to otherwise perform the functions and take the actions provided for or permitted herein or in any other agreement executed by the Litigation Trustee pursuant to the Plan. Any and all proceeds generated from such claims, rights, and causes of action shall be the property of the Litigation Trust.

19.7 **Investment Powers:** The right and power of the Litigation Trustee to invest assets transferred to the Litigation Trust, the proceeds thereof, or any income earned by the Litigation Trust, shall be limited to the right and power to invest such assets (pending periodic distributions in accordance with Section 19.8 of the Plan) in Cash Equivalents; provided, however, that (a) the scope of any such permissible investments shall be limited to include only those investments, or shall be expanded to include any additional investments, as the case may be, that a liquidating trust, within the meaning of Treasury Regulation Section 301.7701-4(d) may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise, and (b) the Litigation Trustee may expend the assets of the Litigation Trust (i) as reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Litigation Trust during liquidation, (ii) to pay reasonable administrative expenses (including, but not limited to, any taxes imposed on the Litigation Trust or fees and expenses in connection with litigation), and (iii) to satisfy other liabilities incurred or assumed by the Litigation Trust (or to which the assets

are otherwise subject) in accordance with the Plan or the Litigation Trust Agreement; and, provided, further, that, under no circumstances, shall the Litigation Trust segregate the assets of the Litigation Trust on the basis of classification of the holders of Litigation Trust Interests, other than with respect to distributions to be made on account of Disputed Claims and Disputed Equity Interests in accordance with the provisions hereof.

19.8 **Annual Distribution; Withholding**: The Litigation Trustee shall distribute at least annually to the holders of Litigation Trust Interests all net cash income plus all net cash proceeds from the liquidation of assets (including as Cash for this purpose, all Cash Equivalents); provided, however, that the Litigation Trust may retain such amounts (i) as are reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Litigation Trust during liquidation, (ii) to pay reasonable administrative expenses (including any taxes imposed on the Litigation Trust or in respect of the assets of the Litigation Trust), and (iii) to satisfy other liabilities incurred or assumed by the Litigation Trust (or to which the assets are otherwise subject) in accordance with the Plan or the Litigation Trust Agreement. All such distributions shall be pro rata based on the number of Litigation Trust Interests held by a holder compared with the aggregate number of Litigation Trust Interests outstanding, subject to the terms of the Plan and the Litigation Trust Agreement. The Litigation Trustee may withhold from amounts distributable to any Person any and all amounts, determined in the Litigation Trustee's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement.

19.9 **Reporting Duties**:

(a) **Federal Income Tax**: Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Litigation Trustee of a private letter ruling if the Litigation Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Litigation Trustee), the Litigation Trustee shall file returns for the Litigation Trust as a grantor trust pursuant to Treasury Regulation Section 1.671-4(a). The Litigation Trustee shall also annually send to each holder of a Litigation Trust Interest a separate statement setting forth the holder's share of items of income, gain, loss, deduction or credit and will instruct all such holders to report such items on their federal income tax returns.

(b) **Allocations of Litigation Trust Taxable Income**: Allocations of Litigation Trust taxable income shall be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (without regard to any restrictions on distributions described herein) if, immediately prior to such deemed distribution, the Litigation Trust had distributed all of its other assets (valued for this purpose at their tax book value) to the holders of the Litigation Trust Interests, taking into account all prior and concurrent distributions from the Litigation Trust (including all distributions held in escrow pending the resolution of Disputed Claims). Similarly, taxable loss of the Litigation Trust will be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining Litigation Trust Claims. The tax book value of the Litigation Trust Claims for this purpose shall equal their fair market value on the Effective Date or, if later, the date such assets were acquired by the Litigation Trust, adjusted in either case in accordance with

tax accounting principles prescribed by the IRC, the regulations and other applicable administrative and judicial authorities and pronouncements.

(c) Other: The Litigation Trustee shall file (or cause to be filed) any other statements, returns or disclosures relating to the Litigation Trust that are required by any governmental unit.

19.10 **Trust Implementation**: On the Effective Date, the Litigation Trust shall be established and become effective for the benefit of Allowed Claims in Classes 3 through 178. The Litigation Trust Agreement shall be filed in the Plan Supplement and shall contain provisions customary to trust agreements utilized in comparable circumstances, including, but not limited to, any and all provisions necessary to ensure the continued treatment of the Litigation Trust as a grantor trust for federal income tax purposes. All parties (including the Debtors, the Litigation Trustee and holders of Allowed Claims in Classes 3 through 178) shall execute any documents or other instruments as necessary to cause title to the applicable assets to be transferred to the Litigation Trust.

19.11 **Registry of Beneficial Interests**: The Litigation Trustee shall maintain a registry of the holders of Litigation Trust Interests.

19.12 **Termination**: The Litigation Trust shall terminate no later than the fifth (5th) anniversary of the Effective Date; provided, however, that, on or prior to the date three (3) months prior to such termination, the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Litigation Trust if it is necessary to the liquidation of the Litigation Trust Claims. Notwithstanding the foregoing, multiple extensions can be obtained so long as Bankruptcy Court approval is obtained at least three (3) months prior to the expiration of each extended term.

19.13 **Net Litigation Trust Recovery/Assignment of Claims**:

(a) Net Judgment: Notwithstanding anything contained herein to the contrary, in the event that a defendant in a litigation brought by the Litigation Trustee for and on behalf of the Litigation Trust (i) is required by a Final Order to make payment to the Litigation Trust (the “Judgment Amount”), and (ii) is permitted by a Final Order to assert a right of setoff under section 553 of the Bankruptcy Code or applicable non-bankruptcy law against the Judgment Amount (a “Valid Setoff”), (y) such defendant shall be obligated to pay only the excess, if any, of the amount of the Judgment Amount over the Valid Setoff and (z) none of the Litigation Trust, the holders or beneficiaries of the Litigation Trust Interests shall be entitled to assert a claim against the Debtors or the Reorganized Debtors with respect to the Valid Setoff.

(b) Assignment: Notwithstanding anything contained herein to the contrary, in the event that a compromise and settlement of a Litigation Trust Claim or a Final Order with respect to a Litigation Trust Claim provides for a waiver, subordination or disallowance of a defendant’s Claim or Claims against one or more of the Debtors, for purposes of computing amounts of distributions, (i) such defendant shall be deemed to have assigned such Claim or Claims and right to receive distributions in accordance with the Plan to the Litigation Trust, (ii) the Disbursing Agent shall make distributions with respect to such Allowed Claims to the

Litigation Trust and (iii) such defendant shall not be entitled to receive distributions from the Litigation Trust on account thereof.

The Special Litigation Trustee shall also annually send to each holder of a Special Litigation Trust Interest a separate statement setting forth the holder's share of items of income, gain, loss, deduction or credit and shall instruct all such holders to report such items on their federal income tax returns.

(b) **Allocations of Special Litigation Trust Taxable Income**: Allocations of Special Litigation Trust taxable income shall be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (without regard to any restrictions on distributions described herein) if, immediately prior to such deemed distribution, the Special Litigation Trust had distributed all of its other assets (valued for this purpose at their

tax book value) to the holders of the Special Litigation Trust Interests, taking into account all prior and concurrent distributions from the Special Litigation Trust (including all distributions held in escrow pending the resolution of Disputed Claims). Similarly, taxable loss of the Special Litigation Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining Special Litigation Trust Claims. The tax book value of the Special Litigation Trust Claims for this purpose shall equal their fair market value on the Effective Date or, if later, the date such assets were acquired by the Special Litigation Trust, adjusted in either case in accordance with tax accounting principles prescribed by the IRC, the regulations and other applicable administrative and judicial authorities and pronouncements.

The Special Litigation Trust Agreement shall be filed in the Plan Supplement and shall contain provisions customary to trust agreements utilized in comparable circumstances, including, but not limited to, any and all provisions necessary to ensure the continued treatment of the Special Litigation Trust as a grantor trust for federal income tax purposes. All parties (including the Debtors, the Special Litigation Trustee and holders of Allowed Claims in Classes 3 through 178) shall execute any documents or other instruments as necessary to cause title to the applicable assets to be transferred to the Special Litigation Trust.

20.11 **Registry of Beneficial Interests**: The Special Litigation Trustee shall maintain a registry of the holders of Special Litigation Trust Interests.

20.12 **Termination**: The Special Litigation Trust shall terminate no later than the fifth (5th) anniversary of the Effective Date; provided, however, that, on or prior to the date three (3) months prior to such termination, the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Special Litigation Trust if it is necessary to the liquidation of the Special Litigation Trust Claims. Notwithstanding the foregoing, multiple extensions can be obtained so long as Bankruptcy Court approval is obtained at least three (3) months prior to the expiration of each extended term.

20.13 **Net Special Litigation Trust Recovery/Assignment of Claims** :

(b) **Assignment**: Notwithstanding anything contained herein to the contrary, in the event that a compromise and settlement of a Special Litigation Trust Claim or a Final Order with respect to a Special Litigation Trust Claim provides for a waiver, subordination or disallowance of a defendant's Claim or Claims against one or more of the Debtors, for purposes of computing amounts of distributions, (i) such defendant shall be deemed to have assigned such Claim or Claims and right to receive distributions in accordance with the Plan to the Special Litigation Trust, (ii) the Disbursing Agent shall make distributions with respect to such Allowed Claims to the Special Litigation Trust and (iii) such defendant shall not be entitled to receive distributions from the Special Litigation Trust on account thereof.

(a) The transfer of assets to the Operating Trusts shall be made, as provided herein, for the benefit of the holders of Allowed Claims in Classes 3 through 178, 181 through 184 and 366 through 375, only to the extent such holders in such Classes are entitled to distributions under the Plan. In partial satisfaction of Allowed Claims in Classes 3 through 178, 181 through 184 and 366 through 375, the assets subject to the respective Operating Trusts shall be transferred to such holders of Allowed Claims, to be held by the Debtors on their behalf.

Immediately thereafter, on behalf of the holders of Allowed Claims in Classes 3 through 178, 181 through 184 and 366 through 375, the Debtors shall transfer such assets to the Operating Trusts for the benefit of holders of Allowed Claims in Classes 3 through 178, 181 through 184 and 366 through 375, in accordance with the Plan.

(b) For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Operating Trustee and the beneficiaries of the Operating Trusts) shall treat the transfer of assets to the respective Operating Trusts in accordance with the terms of the Plan, as a transfer to the holders of Allowed Claims in Classes 3 through 178, 181 through 184 and 366 through 375, followed by a transfer by such holders to the respective Operating Trusts and the beneficiaries of the Operating Trusts shall be treated as the grantors and owners thereof.

The valuation shall be used consistently by all parties (including the Debtors, the Reorganized Debtors, the Operating Trustee and the beneficiaries of the Operating Trusts) for all federal income tax purposes.

21.6 Investment Powers: The right and power of the Operating Trustee to invest assets transferred to the Operating Trust, the proceeds thereof, or any income earned by the respective Operating Trusts, shall be limited to the right and power to invest such assets (pending periodic distributions in accordance with Section 21.7 of the Plan) in Cash Equivalents; provided, however, that (a) the scope of any such permissible investments shall be limited to include only those investments, or shall be expanded to include any additional investments, as the case may be, that a liquidating trust, within the meaning of Treasury Regulation Section 301.7701-4(d) may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise, and (b) the Operating Trustee may expend the assets of the Operating Trusts (i) as reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Operating Trusts during liquidation, (ii) to pay reasonable administrative expenses (including, but not limited to, any taxes imposed on the Operating Trusts or fees and expenses in connection with litigation), and (iii) to satisfy other liabilities incurred or assumed by the Operating Trusts (or to which the assets are otherwise subject) in accordance with the Plan or the Operating Trust Agreements; and, provided, further, that, under no circumstances, shall the Operating Trusts segregate the assets of the Operating Trusts on the basis of classification of the holders of respective Operating Trust Interests, other than with respect to distributions to be made on account of Disputed Claims and Disputed Equity Interests in accordance with the provisions hereof.

21.7 Annual Distribution; Withholding: The Operating Trustee shall distribute at least annually to the holders of respective Operating Trust Interests all net cash income plus all net cash proceeds from the liquidation of assets (including as Cash for this purpose, all Cash Equivalents); provided, however, that the Operating Trusts may retain such amounts (i) as are reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the

All such distributions shall be pro rata based on the number of Operating Trust Interests held by a holder compared with the aggregate number of Operating Trust Interests outstanding, subject to the terms of the Plan and the respective Operating Trust Agreements. The Operating Trustee shall also annually send to each holder of a Operating Trust Interest a separate statement setting forth the holder's share of items of income, gain, loss, deduction or credit and shall instruct all such holders to report such items on their federal income tax returns.

Similarly, taxable loss of the Operating Trusts shall be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining assets of an Operating Trust. The tax book value of the assets of an Operating Trust for this purpose shall equal their fair market value on the date such Operating Trusts were created or, if later, the date such assets were acquired by the Operating Trust, adjusted in either case in accordance with tax accounting principles prescribed by the IRC, the regulations and other applicable administrative and judicial authorities and pronouncements.

(c) **Other:** The Operating Trustee shall file (or cause to be filed) any other statements, returns or disclosures relating to the Operating Trust that are required by any governmental unit.

21.9 **Trust Implementation:** On or after the Confirmation Date, but prior to the Effective Date, the Operating Trusts shall be established and become effective for the benefit of Allowed Claims in Classes 3 through 178, 181 through 184 and 366 through 375. The Operating

Trust Agreements shall be filed in the Plan Supplement and shall contain provisions customary to trust agreements utilized in comparable circumstances, including, but not limited to, any and all provisions necessary to ensure the continued treatment of the Operating Trusts as a grantor trust for federal income tax purposes. All parties (including the Debtors, the Operating Trustee and holders of Allowed Claims in Classes 3 through 178, 181 through 184 and 366 through 375) shall execute any documents or other instruments as necessary to cause title to the applicable assets to be transferred to the Operating Trusts.

21.10 **Registry of Beneficial Interests:** The Operating Trustee shall maintain a registry of the holders of Operating Trust Interests.

Notwithstanding the foregoing, multiple extensions can be obtained so long as Bankruptcy Court approval is obtained at least three (3) months prior to the expiration of each extended term; provided, however, that the aggregate of all such extensions shall not exceed three (3) years from and after the third (3rd) anniversary of the Confirmation Date.

21.12 **Non-Transferability or Certification:** Upon the creation of each Operating Trust, the beneficial interests in such Operating Trust shall be allocated on the books and records of such Operating Trust to the appropriate holders thereof, but such interests shall not be certificated and shall not be transferable by the holder thereof except through the laws of descent or distribution.

Upon the transfer of the Remaining Assets, the Debtors shall have no interest in or with respect to the Remaining Assets or the Remaining Asset Trusts.

(b) For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Remaining Asset Trustee and the beneficiaries of the Remaining Asset Trusts) shall treat the transfer of assets to the respective Remaining Asset Trusts in accordance with the terms of the Plan, as a transfer to the holders of Allowed Claims in Classes 3 through 184 and 366 through 375, followed by a transfer by such holders to the Remaining Asset Trust and the beneficiaries of the respective Remaining Asset Trusts shall be treated as the grantors and owners thereof.

22.6 Investment Powers: The right and power of the Remaining Asset Trustee to invest assets transferred to the Remaining Asset Trusts, the proceeds thereof, or any income earned by the respective Remaining Asset Trusts, shall be limited to the right and power to invest such assets (pending periodic distributions in accordance with Section 22.7 of the Plan) in Cash Equivalents; provided, however, that (a) the scope of any such permissible investments shall be limited to include only those investments, or shall be expanded to include any additional investments, as the case may be, that a liquidating trust, within the meaning of Treasury Regulation Section 301.7701-4(d) may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise, and (b) the Remaining Asset Trustee may expend the assets of the Remaining Asset Trusts (i) as reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Remaining Asset Trusts during liquidation, (ii) to pay

reasonable administrative expenses (including, but not limited to, any taxes imposed on the Remaining Asset Trusts or fees and expenses in connection with litigation), and (iii) to satisfy other liabilities incurred or assumed by the Remaining Asset Trusts (or to which the assets are otherwise subject) in accordance with the Plan or the Remaining Asset Trust Agreements; and, provided, further, that, under no circumstances, shall the Remaining Asset Trustee segregate the assets of the Remaining Asset Trust on the basis of classification of the holders of Remaining Asset Trust Interests, other than with respect to distributions to be made on account of Disputed Claims and Disputed Equity Interests in accordance with the provisions hereof.

22.7 **Annual Distribution; Withholding**: The Remaining Asset Trustee shall distribute at least annually to the holders of Remaining Asset Trust Interests all net cash income plus all net cash proceeds from the liquidation of assets (including as Cash for this purpose, all Cash Equivalents); provided, however, that the Remaining Asset Trusts may retain such amounts (i) as are reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Remaining Asset Trusts during liquidation, (ii) to pay reasonable administrative expenses (including any taxes imposed on the Remaining Asset Trust or in respect of the assets of the Remaining Asset Trusts), and (iii) to satisfy other liabilities incurred or assumed by the Remaining Asset Trusts (or to which the assets are otherwise subject) in accordance with the Plan or the Remaining Asset Trust Agreements. All such distributions shall be pro rata based on the number of Remaining Asset Trust Interests held by a holder compared with the aggregate number of Remaining Asset Trust Interests outstanding, subject to the terms of the Plan and the Remaining Asset Trust Agreements. The Remaining Asset Trustee shall also annually send to each holder of a Remaining Asset Trust Interest a separate statement setting forth the holder's share of items of income, gain, loss, deduction or credit and shall instruct all such holders to report such items on their federal income tax returns.

(b) **Allocations of Remaining Asset Trust Taxable Income**: Allocations of Remaining Asset Trust taxable income shall be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (without regard to any restrictions on distributions described herein) if, immediately prior to such deemed distribution, the Remaining Asset Trust had distributed all of its other assets (valued for this purpose at their tax book value) to the holders of the Remaining Asset Trust Interests (treating any holder of a Disputed Claim, for this purpose, as a current holder of a Remaining Asset Trust Interest entitled to distributions), taking into account all prior and concurrent distributions from the Remaining Asset Trust (including all distributions held in escrow pending the resolution of Disputed

Claims). Similarly, taxable loss of the Remaining Asset Trusts shall be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining Remaining Asset Trust Assets. The tax book value of the Remaining Asset Trust Assets for this purpose shall equal their fair market value on the date such Remaining Assets Trusts were created or, if later, the date such assets were acquired by the Remaining Asset Trusts, adjusted in either case in accordance with tax accounting principles prescribed by the IRC, the regulations and other applicable administrative and judicial authorities and pronouncements.

(c) Other: The Remaining Asset Trustee shall file (or cause to be filed) any other statements, returns or disclosures relating to the Remaining Asset Trust that are required by any governmental unit.

22.9 **Trust Implementation**: On or after the Confirmation Date, but prior to the Effective Date, the Remaining Asset Trust will be established and become effective for the benefit of Allowed Claims in Classes 3 through 184 and 366 through 375. The Remaining Asset Trust Agreement shall be filed in the Plan Supplement and shall contain provisions customary to trust agreements utilized in comparable circumstances, including, but not limited to, any and all provisions necessary to ensure the continued treatment of the Remaining Asset Trust as a grantor trust for federal income tax purposes. 22.12 **Non-Transferability or Certification**: Upon the creation of the Remaining Asset Trust, the Remaining Asset Trust Interests shall be allocated on the books and records of the Remaining Asset Trust to the appropriate holders thereof, but the Remaining Asset Trust Interests shall not be certificated and shall not be transferable by the holder thereof except through the laws of descent or distribution; provided, however, that the deemed recipient thereof may hold such Remaining Asset Trust Interests through a single wholly owned Entity.

THE PREFERRED EQUITY TRUST

23.1 **Establishment of the Trust:** On or after the Confirmation Date, but prior to the Effective Date, the Debtors, on their own behalf and on behalf of holders of Allowed Equity Interests in Class 373 shall execute the Preferred Equity Trust Agreement and shall take all other steps necessary to establish the Preferred Equity Trust. On such date of execution, or as soon as practicable thereafter, including, without limitation, subject to appropriate or required governmental, agency or other consents, and in accordance with and pursuant to the terms of Section 23.4 of the Plan, the Debtors shall issue to the Preferred Equity Trust the Exchanged Enron Preferred Stock subject to the Preferred Equity Trust Agreement. Notwithstanding anything contained herein to the contrary, there shall be separate classes of Preferred Equity Trust Interests that (a) separately reflect the distributions and other economic entitlements and (b) maintain the following order of priority with respect to the separate classes of Exchanged Preferred Equity Interests contributed: (1) Series 1 Exchanged Preferred Stock and Series 2 Exchanged Preferred Stock on a pari passu basis; (2) Series 3 Exchanged Preferred Stock; and (3) Series 4 Exchanged Preferred Stock.

23.2 **Purpose of the Preferred Equity Trust:** The Preferred Equity Trust shall be established for the sole purpose of holding the Exchanged Enron Preferred Stock in accordance with Treasury Regulation Section 301.7701-4(d) and the terms and provisions of the Preferred Equity Trust Agreement. Without limiting the foregoing, the Preferred Equity Trust Agreement shall provide that, to the extent that the Preferred Equity Trust receives Cash distributions under this Plan in respect of a particular class of Exchanged Preferred Equity Interests, it will redistribute such Cash to the holders of the separate class of Preferred Equity Trust Interests that corresponds to such class of Exchanged Preferred Equity Interests, but in no event will any holder of Preferred Equity Trust Interests receive a distribution of Exchanged Enron Preferred Stock.

23.3 **Funding Expenses of the Preferred Equity Trust:** In accordance with the Preferred Equity Trust Agreement and any agreements entered into in connection therewith, on the Effective Date, the Debtors shall have no obligation to provide any funding with respect to any of the Preferred Equity Trust.

23.4 **Transfer of Preferred Stock:**

(a) The issuance of the Exchanged Enron Preferred Stock to the Preferred Equity Trust shall be made, as provided herein, for the benefit of the holders of Allowed Enron Preferred Equity Interests in Class 373.

(b) For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Preferred Equity Trustee and the beneficiaries of the Preferred Equity Trust) shall treat the issuance of the Exchanged Enron Preferred Stock to the respective Preferred Equity Trust in accordance with the terms of the Plan, as an issuance to the holders of Allowed Enron Preferred Equity Interests in Class 373, followed by a transfer by such holders to the

Preferred Equity Trust and the beneficiaries of the Preferred Equity Trust shall be treated as the grantors and owners thereof.

23.5 **Investment Powers**: The right and power of the Preferred Equity Trustee to invest assets transferred to the Preferred Equity Trust, the proceeds thereof, or any income earned by the Preferred Equity Trust, shall be limited to the right and power to invest such assets (pending periodic distributions in accordance with Section 23.6 of the Plan) in Cash Equivalents; provided, however, that (a) the scope of any such permissible investments shall be limited to include only those investments, or shall be expanded to include any additional investments, as the case may be, that a liquidating trust, within the meaning of Treasury Regulation Section 301.7701-4(d) may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise, and (b) the Preferred Equity Trustee may expend the assets of the Preferred Equity Trust (i) as reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Preferred Equity Trust during liquidation, (ii) to pay reasonable administrative expenses (including, but not limited to, any taxes imposed on the Preferred Equity Trust or fees and expenses in connection with litigation), and (iii) to satisfy other liabilities incurred or assumed by the Preferred Equity Trust (or to which the assets are otherwise subject) in accordance with the Plan or the Preferred Equity Trust Agreement; and, provided, further, that, under no circumstances, shall the Preferred Equity Trust segregate the assets of the Preferred Equity Trust on the basis of classification of the holders of Preferred Equity Trust Interests, other than with respect to distributions to be made on account of Disputed Claims and Disputed Equity Interests in accordance with the provisions hereof.

23.6 **Annual Distribution; Withholding**: The Preferred Equity Trustee shall distribute at least annually to the holders of each class of Preferred Equity Trust Interests all net cash income plus all net cash proceeds from the liquidation of assets (including as Cash for this purpose, all Cash Equivalents) attributable to such class; provided, however, that the Preferred Equity Trust may retain such amounts (i) as are reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Preferred Equity Trust during liquidation, (ii) to pay reasonable administrative expenses (including any taxes imposed on the Preferred Equity Trust or in respect of the assets of the Preferred Equity Trust), and (iii) to satisfy other liabilities incurred or assumed by the Preferred Equity Trust (or to which the assets are otherwise subject) in accordance with the Plan or the Preferred Equity Trust Agreement. All such distributions with respect to a given class of Preferred Equity Trust Interests shall be pro rata based on the number of Preferred Equity Trust Interests of such class held by a holder compared with the aggregate number of Preferred Equity Trust Interests of such class outstanding, subject to the terms of the Plan and the respective Preferred Equity Trust Agreement. The Preferred Equity Trustee may withhold from amounts distributable to any Person any and all amounts, determined in the Preferred Equity Trustee's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement. Notwithstanding the foregoing, any distributions to be made on account of the separate classes of Preferred Equity Trust Interests shall be made in the following order of priority with respect to the separate classes of Exchanged Preferred Equity Interests: (1) Series 1 Exchanged Preferred Stock and Series 2 Exchanged Preferred Stock on a pari passu basis; (2) Series 3 Exchanged Preferred Stock and (3) Series 4 Exchanged Preferred Stock.

23.7 **Reporting Duties:**

(a) **Federal Income Tax:** Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Preferred Equity Trustee of a private letter ruling if the Preferred Equity Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Preferred Equity Trustee), the Preferred Equity Trustee shall file returns for the Preferred Equity Trust as a grantor trust (consisting of separate shares for each class of Exchanged Enron Preferred Stock owned by the Preferred Equity Trust) pursuant to Treasury Regulation Section 1.671-4(a). The Preferred Equity Trustee shall also annually send to each holder of a Preferred Equity Trust Interest a separate statement setting forth the holder's share of items of income, gain, loss, deduction or credit and shall instruct all such holders to report such items on their federal income tax returns.

(b) **Allocations of Preferred Equity Trust Taxable Income:** Allocations of Preferred Equity Trust taxable income shall be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (without regard to any restrictions on distributions described herein) if, immediately prior to such deemed distribution, the Preferred Equity Trust had distributed all of its other assets (valued for this purpose at their tax book value) to the holders of the Preferred Equity Trust Interests (treating any holder of a Disputed Claim, for this purpose, as a current holder of a Preferred Equity Trust Interest entitled to distributions), taking into account all prior and concurrent distributions from the Preferred Equity Trust (including all distributions held in escrow pending the resolution of Disputed Claims). Similarly, taxable loss of the Preferred Equity Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining assets of the Preferred Equity Trust. The tax book value of the assets of the Preferred Equity Trust for this purpose shall equal their fair market value on the date the Preferred Equity Trust was created or, if later, the date such assets were acquired by the Preferred Equity Trust, adjusted in either case in accordance with tax accounting principles prescribed by the IRC, the regulations and other applicable administrative and judicial authorities and pronouncements.

(c) **Other:** The Preferred Equity Trustee shall file (or cause to be filed) any other statements, returns or disclosures relating to the Preferred Equity Trust that are required by any governmental unit.

23.8 **Trust Implementation:** On the Effective Date, the Preferred Equity Trust shall be established and become effective for the benefit of Allowed Enron Preferred Equity Interests in Class 373. The Preferred Equity Trust Agreement shall be filed in the Plan Supplement and shall contain provisions customary to trust agreements utilized in comparable circumstances, including, but not limited to, any and all provisions necessary to ensure the continued treatment of the Preferred Equity Trust as a grantor trust for federal income tax purposes. All parties (including the Debtors, the Preferred Equity Trustee and holders of Allowed Enron Preferred Equity Interests in Class 373) shall execute any documents or other instruments as necessary to cause title to the applicable assets to be transferred to the Preferred Equity Trust.

23.9 **Registry of Beneficial Interests:** The Preferred Equity Trustee shall maintain a registry of the holders of Preferred Equity Trust Interests.

23.10 **Termination**: The Preferred Equity Trust shall terminate no later than the third (3rd) anniversary of the Confirmation Date; provided, however, that, on or prior to the date three (3) months prior to such termination, the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Preferred Equity Trust if it is necessary to the liquidation of the assets of Preferred Equity Trust. Notwithstanding the foregoing, multiple extensions can be obtained so long as Bankruptcy Court approval is obtained at least three (3) months prior to the expiration of each extended term; provided, however, that the aggregate of all such extensions shall not exceed three (3) years from and after the third (3rd) anniversary of the Confirmation Date.

23.11 **Non-Transferability or Certification**: Upon the creation of the Preferred Equity Trust, the Preferred Equity Trust Interests shall be allocated on the books and records of the Preferred Equity Trust to the appropriate holders thereof, but the Preferred Equity Trust Interests shall not be certificated and shall not be transferable by the holder thereof except through the laws of descent or distribution.

ARTICLE XXIV

THE COMMON EQUITY TRUST

24.1 **Establishment of the Trusts**: On or after the Confirmation Date, but prior to the Effective Date, the Debtors, on their own behalf and on behalf of holders of Allowed Enron Common Equity Interests in Class 374, shall execute the Common Equity Trust Agreement and shall take all other steps necessary to establish the respective Common Equity Trust. On such date of execution, or as soon as practicable thereafter, including, without limitation, subject to appropriate or required governmental, agency or other consents, and in accordance with and pursuant to the terms of Section 24.4 of the Plan, the Debtors shall issue to the Common Equity Trust the Exchanged Enron Common Stock subject to the Common Equity Trust Agreement.

24.2 **Purpose of the Common Equity Trust**: The Common Equity Trust shall be established for the sole purpose of holding the Exchanged Enron Common Stock in accordance with Treasury Regulation Section 301.7701-4(d) and the terms and provisions of the Common Equity Trust Agreement. Without limiting the foregoing, the Common Equity Trust Agreement shall provide that, to the extent that the Common Equity Trust receives Cash distributions under this Plan, it will redistribute such Cash to the holders to the Common Equity Trust Interests, but in no event will any holder of Common Equity Trust Interests receive a distribution of Exchanged Enron Common Stock.

24.3 **Funding Expenses of the Common Equity Trust**: In accordance with the Common Equity Trust Agreement and any agreements entered into in connection therewith, on the Effective Date, the Debtors shall have no obligation to provide any funding with respect to any of the Common Equity Trust.

24.4 **Transfer of Common Stock**:

(a) The issuance of the Exchanged Enron Common Stock to the Common Equity Trust shall be made, as provided herein, for the benefit of the holders of Allowed Enron Common Equity Interests in Class 374.

(b) For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Common Equity Trustee and the beneficiaries of the Common Equity Trust) shall treat the issuance of the Exchanged Enron Common Stock to the respective Common Equity Trust in accordance with the terms of the Plan, as an issuance to the holders of Allowed Enron Common Equity Interests in Class 374, followed by a transfer by such holders to the Common Equity Trust and the beneficiaries of the Common Equity Trust shall be treated as the grantors and owners thereof.

24.5 Investment Powers: The right and power of the Common Equity Trustee to invest assets transferred to the Common Equity Trust, the proceeds thereof, or any income earned by the Common Equity Trust, shall be limited to the right and power to invest such assets (pending periodic distributions in accordance with Section 24.6 of the Plan) in Cash Equivalents; provided, however, that (a) the scope of any such permissible investments shall be limited to include only those investments, or shall be expanded to include any additional investments, as the case may be, that a liquidating trust, within the meaning of Treasury Regulation Section 301.7701-4(d) may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise, and (b) the Common Equity Trustee may expend the assets of the Common Equity Trust (i) as reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Common Equity Trust during liquidation, (ii) to pay reasonable administrative expenses (including, but not limited to, any taxes imposed on the Common Equity Trust or fees and expenses in connection with litigation), and (iii) to satisfy other liabilities incurred or assumed by the Common Equity Trust (or to which the assets are otherwise subject) in accordance with the Plan or the Common Equity Trust Agreement; and, provided, further, that, under no circumstances, shall the Common Equity Trust segregate the assets of the Common Equity Trust on the basis of classification of the holders of Common Equity Trust Interests, other than with respect to distributions to be made on account of Disputed Claims and Disputed Equity Interests in accordance with the provisions hereof.

24.6 Annual Distribution; Withholding: The Common Equity Trustee shall distribute at least annually to the holders of Common Equity Trust Interests all net cash income plus all net cash proceeds from the liquidation of assets (including as Cash for this purpose, all Cash Equivalents); provided, however, that the Common Equity Trust may retain such amounts (i) as are reasonably necessary to meet contingent liabilities and to maintain the value of the assets of the Common Equity Trust during liquidation, (ii) to pay reasonable administrative expenses (including any taxes imposed on the Common Equity Trust or in respect of the assets of the Common Equity Trust), and (iii) to satisfy other liabilities incurred or assumed by the Common Equity Trust (or to which the assets are otherwise subject) in accordance with the Plan or the Common Equity Trust Agreement. All such distributions shall be pro rata based on the number of Common Equity Trust Interests held by a holder compared with the aggregate number of Common Equity Trust Interests outstanding, subject to the terms of the Plan and the respective Common Equity Trust Agreement. The Common Equity Trustee may withhold from amounts distributable to any Person any and all amounts, determined in the Common Equity Trustee's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement.

24.7 **Reporting Duties:**

(a) **Federal Income Tax:** Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Common Equity Trustee of a private letter ruling if the Common Equity Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Common Equity Trustee), the Common Equity Trustee shall file returns for the Common Equity Trust as a grantor trust pursuant to Treasury Regulation Section 1.671-4(a). The Common Equity Trustee shall also annually send to each holder of a Common Equity Trust Interest a separate statement setting forth the holder's share of items of income, gain, loss, deduction or credit and shall instruct all such holders to report such items on their federal income tax returns.

(b) **Allocations of Common Equity Trust Taxable Income:** Allocations of Common Equity Trust taxable income shall be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (without regard to any restrictions on distributions described herein) if, immediately prior to such deemed distribution, the Common Equity Trust had distributed all of its other assets (valued for this purpose at their tax book value) to the holders of the Common Equity Trust Interests (treating any holder of a Disputed Claim, for this purpose, as a current holder of a Common Equity Trust Interest entitled to distributions), taking into account all prior and concurrent distributions from the Common Equity Trust (including all distributions held in escrow pending the resolution of Disputed Claims). Similarly, taxable loss of the Common Equity Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining assets of the Common Equity Trust. The tax book value of the assets of the Common Equity Trust for this purpose shall equal their fair market value on the date the Common Equity Trust was created or, if later, the date such assets were acquired by the Common Equity Trust, adjusted in either case in accordance with tax accounting principles prescribed by the IRC, the regulations and other applicable administrative and judicial authorities and pronouncements.

(c) **Other:** The Common Equity Trustee shall file (or cause to be filed) any other statements, returns or disclosures relating to the Common Equity Trust that are required by any governmental unit.

24.8 **Trust Implementation:** On the Effective Date, the Common Equity Trust shall be established and become effective for the benefit of Allowed Enron Common Equity Interests in Class 374. The Common Equity Trust Agreement shall be filed in the Plan Supplement and shall contain provisions customary to trust agreements utilized in comparable circumstances, including, but not limited to, any and all provisions necessary to ensure the continued treatment of the Common Equity Trust as a grantor trust for federal income tax purposes. All parties (including the Debtors, the Common Equity Trustee and holders of Allowed Enron Common Equity Interests in Class 374) shall execute any documents or other instruments as necessary to cause title to the applicable assets to be transferred to the Common Equity Trust.

24.9 **Registry of Beneficial Interests:** The Common Equity Trustee shall maintain a registry of the holders of Common Equity Trust Interests.

24.10 **Termination**: The Common Equity Trust shall terminate no later than the third (3rd) anniversary of the Confirmation Date; provided, however, that, on or prior to the date three (3) months prior to such termination, the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Common Equity Trust if it is necessary to the liquidation of the assets of Common Equity Trust. Notwithstanding the foregoing, multiple extensions can be obtained so long as Bankruptcy Court approval is obtained at least three (3) months prior to the expiration of each extended term; provided, however, that the aggregate of all such extensions shall not exceed three (3) years from and after the third (3rd) anniversary of the Confirmation Date.

24.11 **Non-Transferability or Certification**: Upon the creation of the Common Equity Trust, the Common Equity Trust Interests shall be allocated on the books and records of the Common Equity Trust to the appropriate holders thereof, but the Common Equity Trust Interests shall not be certificated and shall not be transferable by the holder thereof except through the laws of descent or distribution.

ARTICLE XXV

PROSECUTION OF CLAIMS HELD BY THE DEBTORS

25.1 **Prosecution of Claims**: Except with respect to the Litigation Trust Claims, the Special Litigation Trust Claims and the Severance Settlement Fund Litigation, from and after the Effective Date, the Reorganized Debtors, the Creditors' Committee or the Employee Committee shall, as a representative of the estates of the Debtors, litigate any claims or causes of action that constituted Assets of the Debtors or Debtors in Possession, including, without limitation, any avoidance or recovery actions under sections 541, 544, 545, 547, 548, 549, 550, 551 and 553 of the Bankruptcy Code and any other causes of action, rights to payments of claims that may be pending on the Effective Date or instituted by the Debtors or Debtors in Possession thereafter, to a Final Order, and the Reorganized Debtors, the Creditors' Committee or the Employee Committee may compromise and settle such claims, without approval of the Bankruptcy Court. The net proceeds of any such litigation or settlement (after satisfaction of all costs and expenses incurred in connection therewith) shall be remitted to the Disbursing Agent for (i) allocation to the Debtor which owned such Asset and (ii) distribution in accordance with the Distributive Assets, Enron Guaranty Distributive Assets, or Wind Distributive Assets, as the case may be, attributable to such Debtor.

ARTICLE XXVI

ACCEPTANCE OR REJECTION OF PLAN; EFFECT OF REJECTION BY ONE OR MORE CLASSES OF CLAIMS OR EQUITY INTEREST

26.1 **Impaired Classes to Vote**: Each holder of a Claim or Equity Interest in an impaired Class, not otherwise deemed to have rejected the Plan in accordance with Section 27.2 of the Plan, shall be entitled to vote separately to accept or reject the Plan.

26.2 **Acceptance by Class of Creditors and Holders of Equity Interests**: An impaired Class of holders of Claims shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed

Claims of such Class that have voted to accept or reject the Plan. An impaired Class of holders of Equity Interests shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in amount of the Allowed Equity Interests of such Class that have voted to accept or reject the Plan.

26.3 **Cramdown**: In the event that any impaired Class of Claims or Equity Interests shall fail to accept the Plan in accordance with section 1129(a) of the Bankruptcy Code, the Debtors reserve the right to request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code or amend the Plan.

ARTICLE XXVII

IDENTIFICATION OF CLAIMS AND EQUITY INTERESTS IMPAIRED AND NOT IMPAIRED BY THE PLAN

27.1 **Impaired and Unimpaired Classes**: Claims in Classes 1 and 2 of the Plan are not impaired under the Plan. Claims and Equity Interests in Classes 3 through 375 are impaired under the Plan.

27.2 **Impaired Classes to Vote on Plan**: The Claims included in Classes 3 through 375 of the Plan are impaired and are therefore entitled to vote to accept or reject the Plan. Notwithstanding the foregoing, (a) the Claims included in Class 185 are deemed to have accepted the Plan and (b) the Claims and Equity Interests included in Classes 181, 182 and 366 through 375 of the Plan are deemed to have rejected the Plan in accordance with the provisions of section 1126 (g) of the Bankruptcy Code.

27.3 **Controversy Concerning Impairment**: In the event of a controversy as to whether any Class of Claims or Equity Interests is impaired under the Plan, the Bankruptcy Court shall, after notice and a hearing, determine such controversy.

ARTICLE XXVIII

PROVISIONS FOR THE ESTABLISHMENT AND MAINTENANCE OF DISBURSEMENT ACCOUNTS

28.1 **Establishment of Disbursement Account**: On or prior to the Effective Date, the Debtors shall establish one or more segregated bank accounts in the name of the Reorganized Debtors as Disbursing Agent under the Plan, which accounts shall be trust accounts for the benefit of Creditors pursuant to the Plan and utilized solely for the investment and distribution of Cash consistent with the terms and conditions of the Plan. On or prior to the Effective Date, and periodically thereafter, the Debtors shall deposit into such Disbursement Account(s) all Cash and Cash Equivalents of the Debtors, less amounts reasonably determined by the Debtors or the Reorganized Debtors, as the case may be, as necessary to fund the ongoing implementation of the Plan and operations of the Reorganized Debtors.

28.2 **Maintenance of Disbursement Account(s)**: Disbursement Account(s) shall be maintained at one or more domestic banks or financial institutions of the Reorganized Debtors' choice having a shareholder's equity or equivalent capital of not less than One Hundred Million

(\$100,000,000.00). The Reorganized Debtors shall invest Cash in Disbursement Account(s) in Cash Equivalents; provided, however, that sufficient liquidity shall be maintained in such account or accounts to (a) make promptly when due all payments upon Disputed Claims if, as and when they become Allowed Claims and (b) make promptly when due the other payments provided for in the Plan.

ARTICLE XXIX

PROVISIONS REGARDING DISTRIBUTIONS

29.1 **Time and Manner of Distributions**: Distributions under the Plan shall be made to each holder of an Allowed Unsecured Claim as follows:

(a) **Initial Distributions of Cash**: On or as soon as practicable after the Effective Date, the Disbursing Agent shall distribute, or cause to be distributed, to the Reorganized Debtor Plan Administrator on behalf of holders of Disputed Claims, and to each holder of an Allowed General Unsecured Claim, an Allowed Enron Guaranty Claim, an Allowed Wind Guaranty Claim, an Allowed Intercompany Claim and an Allowed Convenience Claim, such Creditor's share, if any, of Creditor Cash as determined pursuant to Articles VII, X, XII and XIII hereof.

(b) **Subsequent Distributions of Cash**: On the first (1st) Business Day that is after the close of two (2) full calendar quarters following the date of the initial Effective Date distributions, and, thereafter, on each first (1st) Business Day following the close of two (2) full calendar quarters, the Disbursing Agent shall distribute, or cause to be distributed, to the Reorganized Debtor Plan Administrator on behalf of holders of Disputed Claims, and to each holder of an Allowed General Unsecured Claim, an Allowed Enron Guaranty Claim, an Allowed Wind Guaranty Claim, an Allowed Intercompany Claim, and an Allowed Convenience Claim, an amount equal to such Creditor's share, if any, of Creditor Cash as determined pursuant to Articles VII, X, XI, XII and XIII hereof, until such time as there are no longer any potential Creditor Cash.

(c) **Distributions of Plan Securities**: Notwithstanding anything contained herein to the contrary, commencing on or as soon as practicable after the Effective Date, subject to the availability of any historical financial information required to comply with applicable securities laws, the Disbursing Agent shall commence distributions, or cause to be distributed, to the Reorganized Debtor Plan Administrator on behalf of holders of Disputed Claims, and to each holder of an Allowed General Unsecured Claim, an Allowed Enron Guaranty Claim, an Allowed Wind Guaranty Claim and an Allowed Intercompany Claim, an amount equal to such Creditor's share, if any, of Plan Securities, as determined pursuant to Articles VII, X, XI, XII and XIII hereof, and semi-annually thereafter until such time as there is no longer any potential Plan Securities to distribute, as follows:

(i) **Prisma**: Distribution of Prisma Common Stock to holders of Allowed General Unsecured Claims, Allowed Enron Guaranty Claims, Allowed Wind Guaranty Claims and Allowed Intercompany Claims shall commence upon (a) allowance of General Unsecured Claims in an amount

which would result in the distribution of thirty percent (30%) of the issued and outstanding shares of Prisma Common Stock and (b) obtaining the requisite consents for the transfer of the Prisma Assets to Prisma and the issuance of the Prisma Common Stock;

(ii) CrossCountry: Distributions of CrossCountry Common Stock to holders of Allowed General Unsecured Claims, Allowed Enron Guaranty Claims, Allowed Wind Guaranty Claims and Allowed Intercompany Claims shall commence upon (a) allowance of General Unsecured Claims in an amount which would result in the distribution of thirty percent (30%) of the issued and outstanding shares of CrossCountry Common Stock and (b) obtaining the requisite consents for the issuance of the CrossCountry Common Stock; and

(iii) PGE: Distributions of PGE Common Stock to holders of Allowed General Unsecured Claims, Allowed Enron Guaranty Claims, Allowed Wind Guaranty Claims and Allowed Intercompany Claims shall commence upon (a) allowance of General Unsecured Claims in an amount which would result in the distribution of thirty percent (30%) of the issued and outstanding shares of PGE Common Stock and (b) obtaining the requisite consents for the issuance of the PGE Common Stock;

provided, however, that, in the event that a Sale Transaction has occurred, or an agreement for a Sale Transaction has been entered into and has not been terminated, prior to the satisfaction of the conditions for the distribution of such Plan Securities pursuant to this Section 29.1(c), the proceeds thereof shall be distributed in accordance with the provisions of Section 29.1(a) of the Plan in lieu of the Plan Securities that are the subject of such Sale Transaction or agreement, or in the case of a Sale Transaction involving a sale of all or substantially all of the assets of an issuer of Plan Securities, the Plan Securities of such issuer (unless the agreement for such Sale Transaction terminates subsequent to the satisfaction of such applicable conditions in this Section 29.1(c), in which case, such Plan Securities shall be distributed pursuant to this Section 29.1(c)), with the balance of such Plan Securities distributed in accordance with the provisions of this Section 29.1(c); and, provided, further, that, if in the joint determination of the Debtors and the Creditors' Committee, the Prisma Trust Interests, CrossCountry Trust Interests and/or PGE Trust Interests are created, on the Effective Date, such interests shall be allocated to the appropriate holders thereof in accordance with Section 21.12 of the Plan in lieu of the distributions of Prisma Common Stock, CrossCountry Common Stock and/or PGE Common Stock, respectively; and, provided, further, that during the period of retention of any such Plan Securities, the Disbursing Agent shall distribute, or cause to be distributed, to the Reorganized Debtor Plan Administrator on behalf of holders of Disputed Claims, and to each holder of an Allowed General Unsecured Claim, an Allowed Enron Guaranty Claim, an Allowed Wind Guaranty Claim and an Allowed Intercompany Claim, an amount equal to such Creditor's share, if any, of dividends declared and distributed with respect to any of the Plan Securities; and, provided, further, until such time as all Disputed Claims have been allowed by Final Order, in whole or in part, the Disbursing Agent shall hold in reserve at least one percent (1%) of the Plan Securities to be distributed in accordance with Section 18.3 of the Plan and this Section 29.1.

(d) Recalculation of Distributive Assets, Guaranty Distributive Assets and Intercompany Distributive Assets: Notwithstanding anything contained herein to the contrary, in connection with each of the distributions of Creditor Cash and Plan Securities to be made in accordance with this Section 29.1, the Disbursing Agent shall calculate, or cause to be calculated, Distributive Assets, Enron Guaranty Distributive Assets, Wind Guaranty Distributive Assets and Intercompany Distributive Assets as of the date thereof, taking into account, among other things, (i) sales of Remaining Assets, (ii) proceeds, if any, of Sale Transactions and (iii) the allowance or disallowance of Disputed Claims, as the case may be.

(e) Prior and Subsequent Bankruptcy Court Orders Regarding Non-Conforming Distributions: For purposes of calculating distributions to be made in accordance with Section 29.1 of the Plan, including, without limitation, the payment of Allowed Claims in full, the Debtors, the Reorganized Debtors, the Disbursing Agent and the Reorganized Debtor Plan Administrator shall take into account those payments made or to be made to holders of Allowed Enron Senior Note Claims and Allowed Enron Subordinated Debenture Claims pursuant to the provisions of prior or subsequent orders of the Bankruptcy Court.

29.2 **Timeliness of Payments**: Any payments or distributions to be made pursuant to the Plan shall be deemed to be timely made if made within twenty (20) days after the dates specified in the Plan. Whenever any distribution to be made under this Plan shall be due on a day other than a Business Day, such distribution shall instead be made, without interest, on the immediately succeeding Business Day, but shall be deemed to have been made on the date due.

29.3 **Distributions by the Disbursing Agent**: All distributions under the Plan shall be made by the Disbursing Agent at the direction of the Reorganized Debtor Plan Administrator. The Disbursing Agent shall be deemed to hold all property to be distributed hereunder in trust for the Persons entitled to receive the same. The Disbursing Agent shall not hold an economic or beneficial interest in such property.

29.4 **Manner of Payment under the Plan**: Unless the Entity receiving a payment agrees otherwise, any payment in Cash to be made by the Reorganized Debtors shall be made, at the election of the Reorganized Debtors, by check drawn on a domestic bank or by wire transfer from a domestic bank; provided, however, that no Cash payments shall be made to a holder of an Allowed Claim or an Allowed Equity Interest until such time as the amount payable thereto is equal to or greater than Ten Dollars (\$10.00).

29.5 **Delivery of Distributions**: Subject to the provisions of Rule 9010 of the Bankruptcy Rules, and except as provided in Section 29.4 of the Plan, distributions and deliveries to holders of Allowed Claims shall be made at the address of each such holder as set forth on the Schedules filed with the Bankruptcy Court unless superseded by the address set forth on proofs of claim filed by such holders, or at the last known address of such a holder if no proof of claim is filed or if the Debtors has been notified in writing of a change of address. Distributions for the benefit of holders of Enron Senior Notes shall be made to the appropriate Enron Senior Notes Indenture Trustee. Each such Enron Senior Note Indenture Trustee shall in turn administer the distribution to the holders of Allowed Enron Senior Note Claims in accordance with the Plan and the applicable Enron Senior Notes Indenture. The Enron Senior

Notes Indenture Trustee shall not be required to give any bond or surety or other security for the performance of their duties unless otherwise ordered by the Bankruptcy Court.

29.6 **Fractional Securities:** No fractional shares of Plan Securities shall be issued. Fractional shares of Plan Securities shall be rounded to the next greater or next lower number of shares in accordance with the following method: (a) fractions of one-half (1/2) or greater shall be rounded to the next higher whole number, and (b) fractions of less than one-half (1/2) shall be rounded to the next lower whole number. The total number of shares or interests of Plan Securities to be distributed to a Class hereunder shall be adjusted as necessary to account for the rounding provided for in this Section 29.6. In the event that, as a result of such rounding, a holder of a Claim would receive no distribution pursuant to this Plan, such holder shall receive Cash in lieu of the fractional shares of Plan Securities to purchase fractional shares such holder was entitled to receive.

29.7 **Undeliverable Distributions:**

(a) **Holding of Undeliverable Distributions:** If any distribution to any holder is returned to the Reorganized Debtors as undeliverable, no further distributions shall be made to such holder unless and until the Reorganized Debtors is notified, in writing, of such holder's then-current address. Undeliverable distributions shall remain in the possession of the Reorganized Debtors until such time as a distribution becomes deliverable. All Entities ultimately receiving undeliverable Cash shall not be entitled to any interest or other accruals of any kind. Nothing contained in the Plan shall require the Reorganized Debtors to attempt to locate any holder of an Allowed Claim or an Allowed Equity Interest.

(b) **Failure to Claim Undeliverable Distributions:** On or about the second (2nd) anniversary of the Effective Date, the Reorganized Debtors shall file a list with the Bankruptcy Court setting forth the names of those Entities for which distributions have been made hereunder and have been returned as undeliverable as of the date thereof. Any holder of an Allowed Claim or an Allowed Equity Interest that does not assert its rights pursuant to the Plan to receive a distribution within three (3) years from and after the Effective Date shall have its entitlement to such undeliverable distribution discharged and shall be forever barred from asserting any entitlement pursuant to the Plan against the Reorganized Debtors or its property. In such case, any consideration held for distribution on account of such Claim or Equity Interest shall revert to the Reorganized Debtors for redistribution to holders of Allowed Claims and Allowed Equity Interests in accordance with the provisions of Section 29.1 hereof.

29.8 **Compliance with Tax Requirements:** The Reorganized Debtors shall comply with all applicable tax withholding and reporting requirements imposed on it by any governmental unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements.

29.9 **Time Bar to Cash Payments:** Checks issued by the Reorganized Debtors on account of Allowed Claims shall be null and void if not negotiated within ninety (90) days from and after the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Reorganized Debtors by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made on

or before the later of (a) the second (2nd) anniversary of the Effective Date or (b) ninety (90) days after the date of issuance of such check, if such check represents a final distribution hereunder on account of such Claim. After such date, all Claims in respect of voided checks shall be discharged and forever barred and the Reorganized Debtors shall retain all monies related thereto for the sole purpose of adding such monies to Creditor Cash for purposes of redistribution to Creditors in accordance with the terms and provisions hereof.

29.10 **Distributions After Effective Date:** Distributions made after the Effective Date to holders of Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made on the Effective Date.

29.11 **Setoffs:** The Reorganized Debtors may, pursuant to applicable non-bankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account thereof (before any distribution is made on account of such Claim), the claims, rights and causes of action of any nature the Debtors or the Reorganized Debtors may hold against the holder of such Allowed Claim; provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors, Debtors in Possession or the Reorganized Debtors of any such claims, rights and causes of action that the Debtors, Debtors in Possession or the Reorganized Debtors may possess against such holder; and, provided, further, that nothing contained herein is intended to limit the rights of any Creditor to rights of setoff prior to the Effective Date in accordance with the provisions of sections 362 and 553 of the Bankruptcy Code.

29.12 **Allocation of Plan Distributions Between Principal and Interest:** To the extent that any Allowed Claim entitled to a distribution under the Plan is comprised of indebtedness and accrued but unpaid interest thereon, such distribution shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to accrued but unpaid interest.

29.13 **Cancellation of Existing Securities and Agreements:** On the latest to occur of (a) the Effective Date, (b) the entry of a Final Order resolving all Claims in the Chapter 11 Cases and (c) the final distribution made to holders of Allowed Claims and Allowed Equity Interests in accordance with Article XXIX of the Plan, any document, agreement, or instrument evidencing any Claim shall be deemed cancelled without further act or action under any applicable agreement, law, regulation, order or rule and the obligations of the Debtors under such documents, agreements or instruments evidencing such Claims shall be discharged; provided, however, that the Enron Subordinated Indenture, the Enron Senior Notes Indentures, the Enron TOPRS Indentures, the ETS Indentures and the ENA Indentures shall continue in effect for the purposes of (i) allowing the Enron Subordinated Trustee, the Enron Senior Notes Trustees, the Enron TOPRS Indenture Trustee, ETS Indenture Trustee and the ENA Indenture Trustee to make any distributions pursuant to the Plan and to perform such other necessary functions with respect thereto, and (ii) permitting the Enron Senior Notes Indenture Trustees, the Enron Subordinated Trustee, the Enron TOPRS Indenture Trustee, the ETS Indenture Trustee and the ENA Indenture Trustee to maintain and assert any rights or liens for reasonable fees, costs, and expenses under the Indentures; and, provided, further, that, except as otherwise provided herein, nothing in this

Plan shall impair, affect or adversely affect the related transactions and the rights of the parties thereto.

29.14 **Certain Indenture Trustee Fees and Expenses:** In the event that the Debtors and the Creditors' Committee agree, in their joint and absolute discretion, as to the Indenture Trustee Claims incurred during the period up to and including the Effective Date, such Indenture Trustee Claims shall be paid in Cash by the Reorganized Debtors on the Effective Date, or as soon as practicable thereafter, without the need for the Indenture Trustees to file an application for allowance thereof with the Bankruptcy Court. In the event that either the Debtors or the Creditors' Committee disagrees with an Indenture Trustee as to the reasonableness of all or a portion of the fees and expenses requested in an Indenture Trustee Claim, such Indenture Trustee may, at its sole discretion, request that the Bankruptcy Court (i) determine the reasonableness and allowance of such contested amounts and (ii) direct the Reorganized Debtors to pay such additional amounts determined to be reasonable, if any, and the Debtors, Creditors' Committee and any other creditor or party in interest may object thereto. To the extent that the Reorganized Debtors fail to pay any Indenture Trustee Claim in full, whether as a result of the Bankruptcy Court's determination or an Indenture Trustee's determination not to request payment therefor, such Indenture Trustee shall have the right to assert its lien and priority rights pursuant to the applicable Indenture for payment of any unpaid amount.

29.15 **Cancellation of PGE, CrossCountry and Prisma Securities:** Upon the issuance of each of the PGE Common Stock, CrossCountry Common Stock and Prisma Common Stock to holders of Allowed Claims or the Operating Trusts, the Existing PGE Common Stock, stock of CrossCountry held by ENE and/or any of its subsidiaries, and stock of Prisma held by ENE and/or any of its subsidiaries, respectively, shall be cancelled.

29.16 **Record Date:** On the Record Date, registers of the respective Indenture Trustees shall be closed and the Indenture Trustees shall have no obligation to recognize any transfers of Claims arising under or related to the Enron Subordinated Indenture, the Enron Senior Notes Indentures, the ETS Indentures, the Enron TOPRS Indentures or the ENA Indentures occurring from and after the Record Date.

As of the Effective Date, the Debtors and the Debtors in Possession shall be deemed to have waived and released its present and former directors, officers, employees, consultants and agents who were directors, officers, employees, consultants or agents, respectively, at any time during the Chapter 11 Cases, from any and all claims of the Debtors' estates arising from or relating to the period from and after the Initial Petition Date; provided, however, that, except as otherwise provided by prior or subsequent Final Order of the Bankruptcy Court, this provision shall not operate as a waiver or release of (a) any Person (i) named or subsequently named as a defendant in any of the Class Actions, (ii) named or subsequently named as a defendant in any action commenced by or on behalf of the Debtors in Possession, including any actions prosecuted by the Creditors' Committee and the Employee Committee, (iii) identified or subsequently identified as a wrongful actor in the "Report of Investigation by the Special Investigative Committee of the Board of Directors of Enron Corp.", dated February 1, 2002, (iv) identified or subsequently identified in a report by the Enron Examiner or the ENA Examiner as having engaged in acts of dishonesty or willful misconduct detrimental to the interests of the Debtors, or (v) adjudicated or subsequently adjudicated by a court of competent jurisdiction to have engaged in acts of dishonesty or willful misconduct detrimental to the interests of the Debtors or (b) any claim (i) with respect to any loan, advance or similar payment by the Debtors to any such person, (ii) with respect to any contractual obligation owed by such person to the Debtors, (iii) relating to such person's knowing fraud, or (iv) to the extent based upon or attributable to such person gaining in fact a personal profit to which such person was not legally entitled, including, without limitation, profits made from the purchase or sale of equity securities of the Debtors which are recoverable by the Debtors pursuant to section 16(b) of the Securities Exchange Act of 1934, as amended; and, provided, further, that the foregoing is not intended, nor shall it be construed, to release any of the Debtors' claims that may exist against the Debtors' directors and officers liability insurance.

39.6 **Exculpation**: None of the Debtors, the Reorganized Debtors, the Creditors' Committee, the Employee Committee, the ENA Examiner (solely in his capacity as facilitator with regard to the negotiation and implementation of the Plan), the Indenture Trustees

responsible for making distributions under the Plan, and any of their respective directors, officers, employees, members, attorneys, consultants, advisors and agents (acting in such capacity), shall have or incur any liability to any Entity for any act taken or omitted to be taken in connection with and subsequent to the commencement of the Chapter 11 Cases, the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan; provided, however, that the foregoing provisions of this Section 39.6 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.

39.7 **Preservation of Rights of Action:** Except as otherwise provided in the Plan, including, without limitation, Article XXI of the Plan, or in any contract, instrument, release of other agreement entered into in connection with the Plan, in accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain sole and exclusive authority to enforce any claims, rights or causes of action that the Debtors, the Debtors in Possession or their chapter 11 estates may hold against any Entity, including any claims, rights or causes of action arising under sections 541, 544, 545, 547, 548, 549, 550, 551 and 553 of the Bankruptcy Code.

39.8 **Injunction:** Except as provided in the Plan, as of the Effective Date, all non-Debtor entities are permanently enjoined from commencing or continuing in any manner, any action or proceeding, whether directly, derivatively, on account of or respecting any claim, debt, right or cause of action of the Debtors, the Debtors in Possession or the Reorganized Debtors which the Debtors, the Debtors in Possession or the Reorganized Debtors, as the case may be, retain sole and exclusive authority to pursue in accordance with Section 25.1 of the Plan or which has been released pursuant to the Plan; provided, however, that, except with regard to the Debtors, the Debtors in Possession and the Reorganized Debtors, such injunction is not intended, nor shall it be construed to, extend to the ongoing prosecution of the Class Actions.

39.9 **Payment of Statutory Fees:** All fees payable pursuant to section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the Confirmation Hearing, shall be paid on the Effective Date.

39.10 **Retiree Benefits:** From and after the Effective Date, pursuant to section 1129(a)(13) of the Bankruptcy Code, the Reorganized Debtors shall continue to pay all retiree benefits (within the meaning of section 1114 of the Bankruptcy Code), if any, at the level established in accordance with subsection (e)(1)(B) or (g) of section 1114 of the Bankruptcy Code, at any time prior to the Confirmation Date, and for the duration of the period during which the Debtors have obligated themselves to provide such benefits; provided, however, that the Debtors or the Reorganized Debtors may modify such benefits to the extent permitted by applicable law.

39.11 **Post-Confirmation Date Fees and Expenses:** From and after the Confirmation Date, the Reorganized Debtors shall, in the ordinary course of business and without the necessity

for any approval by the Bankruptcy Court, (a) retain such professionals and (b) pay the reasonable professional fees and expenses incurred by the Reorganized Debtors and the Creditors' Committee related to implementation and consummation of the Plan, including, without limitation, reasonable fees and expenses of the Indenture Trustees incurred in connection with the distributions to be made pursuant to the Plan.

39.12 **Severability**: If, prior to the Confirmation Date, any term or provision of the Plan shall be held by the Bankruptcy Court to be invalid, void or unenforceable, including, without limitation, the inclusion of one (1) or more of the Debtors in the Plan, the Bankruptcy Court shall, with the consent of the Debtors and the Creditors' Committee, have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

39.13 **Governing Law**: Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent that an exhibit hereto or document contained in the Plan Supplement provides otherwise, the rights, duties and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, the Bankruptcy Code and, to the extent not inconsistent therewith, the laws of the State of New York, without giving effect to principles of conflicts of laws.

39.14 **Notices**: All notices, requests, and demands to or upon the Debtors, the Debtors in Possession or the Reorganized Debtors to be effective shall be in writing, including by facsimile transmission, and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:
